

## COVID-19 UPDATE

Lang Diesel, Inc. is focusing on the impact COVID-19 has on our locations and how we will serve the public. As of March 18, 2020, all locations remain open to the public. While we at LDI are still able to help you in our locations, we strongly encourage you to use phone, email, drop boxes, or online parts ordering to process your parts orders or schedule service appointments.

We are more than happy to provide “curbside” parts delivery / parts returns for customers. In addition, each LDI location has a parts drop box for parts pickup and parts returns! To utilize the “curbside” service or drop boxes, contact your local parts department to make arrangements.

Online parts ordering has never been easier! Utilize one of our online services to order parts. Contact your local LDI parts department to be setup with login credentials for each.

We have requested our sales staff to contact customers and make appointments before performing any on the farm or in-person visits with customers.

Please understand that these are simply precautionary measures, NOT REQUIREMENTS. We still welcome you to visit our office but would like you to be aware of the other options you have, should you so choose. We want to do our part in serving our customers! Please visit our website [www.langdieselinc.com](http://www.langdieselinc.com) for additional updates as the situation may change.

At LDI we pledge to continue to serve you the best we can! Trust we are doing our best in keeping our staff and their families healthy while serving our customers!
