

Western Kansas Precision Ag Specialist

LDI is skilled and highly motivated Precision Ag Specialist to join our team!

Job Description: A successful candidate will be highly motivated, competitive and energetic. This person will represent the company for the sale, training, and customer service of aftermarket and OEM systems.

Duties and Responsibilities:

Under the supervision of the Precision Ag Department Manager, this position:

- Will provide unmatched technical customer support for our Precision Equipment Products
- Will deliver value added technical assistance for all aspects of selling to Precision Equipment prospects and customers
- Will be able to install Precision Equipment and products
- Will be able to train internal staff on sales and support of Precision Equipment and products
- Will be able to train customers and owner/operators on Precision Equipment and products
- Will be able to provide support to customers and owner/operators on Precision Equipment and products
- Represent LDI at various trade shows and customer events throughout the year across the state
- Other miscellaneous duties as requested by senior management

Job Skills:

The Precision Ag Specialist must:

- Have extensive knowledge of agricultural equipment and precision ag technology
- Excellent customer relation skills and organization skills
- Be computer literate and possess the ability to learn and utilize software such as CDK Global Business System
- Be able to work flexible hours and have a clean driving record. Extensive travel will be required during peak season

Qualifications:

- High School Diploma or GED required
- Minimum 1-2 years progressive experience in farm equipment and precision technology required
- Valid Driver's License
- Pre-employment drug screen, motor vehicle check, and background check required.

Benefits:

LDI offers competitive wages based upon experience and a benefit package that includes health insurance, 401k retirement plan, paid holidays, paid time off, performance based incentives, uniforms, and other optional benefits.
